

Zoning Information – 826 Brown Rd., Knoxville, TN

According to the Knox County MPC, the subject property is zoned as follows:

RAE: Exclusive Residential Zone:

This zone provides only for residential areas with low population densities. These areas are intended to be defined and protected from the encroachment of uses not performing a function necessary to the low density residential environment.

For more information, please contact the Knoxville/ Knox County Metropolitan Planning Commission at (865) 215 2500 or visit them at www.knoxmpc.org.
