FIREARM REMOVAL PROCESS

Background fee is \$40 for the first gun and \$20 for each additional gun to be paid directly to Topside Gun & Lonestar Ammunition.

For lot winners who are having TGLA ship the firearms to Your Local Dealer:

- You will need to email a copy of your dealer's federal firearms license to support@Topsideguns.com, preferably with a copy of your paid receipt, before they can begin the shipping process.**
- Once you have emailed a copy of your license to TGLA, they will begin boxing items in order of ease to ship.**

After TGLA receives your license and a copy of your paid receipt, they will be contacting you with your total shipping cost w/handling, which you can pay them for over the phone via card or by mailing them a check. Shipping will be cost of postage.

Out of state customers also have the option to pick up any long guns in person at the store as long as it is legal in their state. Handguns must be shipped to their local dealer in their state per TN law.
